These budgets are estimates for the 2020-2021 school year and are used for awarding financial aid. The information was furnished by each institution's financial aid office and is subject to change. Check with each financial aid office to determine your specific cost of attendance based on residency or reciprocity, course load and living arrangements since costs vary between students, even at the same institution. Students are encouraged to consider a variety of factors, including cost, before making a decision on which school to attend.

Remember to include personal, transportation and miscellaneous expenses when planning your budget.
