I understand that the lender/holder can use the same collection methods against me that can be used against the borrower. If I fail to make payments when due, I will also pay collection costs, not to exceed the maximum allowed under the North Dakota State law, including court costs and collection fees. If I default on this loan, I shall pay collection fees and costs, plus court costs excluding attorney fees, and I shall be charged a collection fee of up to 20 percent of my outstanding principal and interest balance. At the time of default, these fees may be assessed up to a maximum amount allowed under the North Dakota Century Code. All principal, outstanding interest, and fees must be repaid in full for this loan to be satisfied. I understand that this is a Promissory Note. IMPORTANT INFORMATION ABOUT PROCEDURES FOR OPENING A NEW ACCOUNT

To help the federal government fight the funding of terrorism and money laundering activities, Section 326 of the USA PATRIOT Act¹ requires all financial institutions to obtain, verify, and record information that identifies each person who opens an account (checking, savings, certificates of deposit, loans, safekeeping services, trust services, etc.).

What this means for you:

- When you open an account or request certain services, we will ask for your name, address, date of birth, identification number such as your Social Security Number or Tax Identification Number, and other information that will allow us to identify you.
- We may also ask to see your driver's license or other identifying documents.

The principal purpose and routine uses of this information are to verify your identity, provide for the servicing of your account or loan, including communications with consumer reporting agencies, and in the event it is necessary, to locate you and collect on your loan(s). Providing any requested information is mandatory in order to open the account or receive the requested service. We will not be able to open your account or grant the service if the requested information is not provided.

In all cases, protection of our customers' identity and confidentiality is the Bank's pledge to you.

¹ This notice also satisfies our obligations under the Privacy Act of 1974.

PROMISSORY NOTE (continued)

Disclosure of Terms

This Note applies to the Dakota Education Alternative Loan (DEAL). I agree that the lender or any subsequent holder may sell or transfer my loan. At the time my loan is approved, BND will send me a DEAL Approval Disclosure identifying additional terms of the loan. Important additional information is also disclosed in the statement of Borrower's Rights and Responsibilities accompanying this Note.

Information concerning the amount, disbursement and repayment of my loan will be reported to one or more national credit bureau organizations.

Interest

The borrower will choose between a fixed or variable interest rate option on their loan application. It is important that you confirm the option the borrower chose prior to signing this Note. Your signature indicates your agreement to the selection they made. If they chose a fixed rate, the interest rate will be set on the day the loan is first approved and remains the same until the loan is paid in full. If they chose a variable rate, the interest rate will change as interest rates decrease or increase throughout the life of the loan. Current interest rates are listed at bnd.nd.gov or call 800.472.2166 ext. 328.5660.

Interest accrues on the unpaid principal balance of each loan from the date of disbursement by the lender until the entire principal balance is paid in full. I agree to pay all interest charges on my DEAL loan.

Unless I pay the accrued interest as billed monthly or quarterly by the holder of my DEAL loan, the interest will be capitalized (added to the principal), upon entering into repayment status.

Administrative Fee

I will pay an administrative fee in an amount identified in the disclosure statement, which will be deducted proportionately from each disbursement of my loan. I understand the administrative fee is refundable only if the loan is totally cancelled prior to issuing the first disbursement, or if the first disbursement check is returned and total cancellation is requested. BND may pay this fee on my behalf.

Late Charges

If I fail to make any part of an installment payment within 15 days after it becomes due, the holder may collect from me a late fee not to exceed six percent of the unpaid portion of the installment, or a maximum amount of \$15. There may be a charge on non-sufficient funds payments in an amount not to exceed the maximum allowed under the North Dakota Century Code.

Repayment

I am obligated to repay the full amount of the loan, accrued interest and fees if applicable. My loan will enter repayment six months after I graduate, cease to be enrolled or decrease my enrollment to less than half-time. The minimum monthly payment is typically \$50.

I will repay my loan in periodic installments during a repayment period that begins on the day immediately following the end of my grace period. My repayment term for each loan may not exceed 10 years (except under an Extended Repayment Plan). The repayment term does not include any periods of deferment or forbearance.

The holder of my loan will provide me with a repayment schedule that identifies my payment amount and due date.

I agree that the holder may grant me a forbearance for purposes of aligning due dates on my DEAL loans.

I may prepay all or any part of the unpaid balance on my loans at any time without penalty. If I do not specify which loans I am prepaying, the holder will determine how to apply the prepayment.

Acceleration and Default

At the option of the holder, the entire unpaid balance shall become immediately due and payable upon the occurrence of any one of the following events: (i) I fail to enroll as certified on my application; (ii) I fail to use the proceeds of the loan solely for educational expenses; (iii) I make a false representation that results in my receiving a loan for which I am not eligible; or (iv) I default on the loan.

The following events shall constitute a default on a loan: (I) I fail to pay the entire unpaid balance after the holder has exercised its option under the preceding paragraph; or (II) I fail to make installment payments when due, or fail to comply with other terms of the loan, and Student Loans of North Dakota (hereinafter "the guarantor") reasonably concludes I no longer intend to honor my repayment obligation, provided my failure has persisted for at least 270 days for payments due monthly. If I default, the guarantor may purchase my loan. The principal balance and collection fees will become immediately due and payable.

If I default, this will be reported to national credit bureau organizations and will significantly and adversely affect my credit history. I acknowledge that a default shall have additional adverse consequences to me as disclosed in the statement of Borrower's Rights and Responsibilities. Following default, the loan may be subject to repayment based on my income.

Governing Law and Notices

This Note is governed by and construed in accordance with the laws of the State of North Dakota. Any action to enforce this Note must be adjudicated exclusively in the state District Court of Burleigh County, North Dakota. Any notice required to be given to me will be effective if mailed by first class mail to the latest address I have provided to the holder of this Note, or if the holder reasonably determines that this address is no longer my address, to the latest address secured by the holder or other reliable source. Failure by the holder to enforce or insist on compliance with any term on this Note shall not be a waiver of any right of the holder. No provision of this Note may be modified or waived except in writing. If any provision of this Note is determined to be unenforceable, the remaining provisions shall remain in force.

BORROWER CERTIFICATION

I declare under penalty of perjury under the laws of the United States of America that the following is true and correct:

- (1) I certify that the information contained in my application for the DEAL Loan is true, complete and correct to the best of my knowledge and belief and is made in good faith.
- (2) I certify that the proceeds of this loan will be used for educational purposes for the loan period at the school named on the application.
- (3) I hereby authorize my school to pay to BND, any refund that may be due to me, up to the amount of the loan.
- (4) I authorize BND, subsequent holders, their agents, collection agencies or educational institutions to: (i) make inquiries of my cosigner, prior or subsequent lenders or holders with respect to my loan application and related documents; (ii) release information and make inquiries to the persons I have listed on my loan application as references, for the purpose of learning my current address and telephone number; (iii) contact me at any phone number or email address (whether it is a land line or wireless service) that I have provided or the loan holder receives from any reliable source. I authorize the use of live or automated messages to any of these numbers or email addresses. I understand that persons other than myself may access these messages or emails, which may include content concerning my indebtedness.

- (5) I also authorize BND, subsequent holders or their agents to check my credit and employment history and to answer questions about their credit experience with me.
- (6) I authorize the release of information pertinent to this loan by and amongst my schools, BND, the guarantor, subsequent holders and their agents, and members of my immediate family unless I submit written directions otherwise.
- (7) I authorize BND to have the option to make my loan check(s) jointly payable to my school and me.
- (8) If my school participates in electronic funds transfer (EFT), I authorize the school to transfer the loan proceeds received by EFT to my student account.
- (9) Prior DEAL loans in repayment may be deferred while I am in school if I am attending at least half-time, unless I choose to repay the loan(s).
- (10) I will be responsible for paying the interest on my DEAL loan, which begins to accrue upon my first disbursement. If I fail to make required interest payments while I am in school at least half-time, during grace or deferment, BND or subsequent holders may capitalize such interest, upon entering into repayment status.

DAKOTA EDUCATION ALTERNATIVE LOAN (DEAL) COSIGNER'S COPY

Borrower's Rights and Responsibilities

Eligibility

A student is eligible to receive funds from the DEAL loan program only after he/she has completed the Free Application for Federal Student Aid (FAFSA) and considered all the Federal Title IV aid that the institution's Financial Aid Office has determined the student may be eligible to receive. Student must be a U.S. citizen.

Loan Limits

If I don't have a DEAL loan balance as of July 1, 2012, I may borrow up to \$50,000 as an undergraduate student and \$50,000 as a graduate student. (Exceptions may be made for certain high cost programs.) If I have a DEAL loan balance as of July 1, 2012, I am not subject to the maximum loan limits. At no time may the amount I borrow exceed the estimated cost of attendance minus any estimated financial assistance I will be awarded during the time of enrollment. The minimum amount I may borrow is \$500.

Loan Proceeds

I must use the loan money for authorized educational expenses incurred to attend the school named for the loan period shown on the application. Loan proceeds may not be used for other purposes.

The loan money may be disbursed in a prorated amount based on academic terms at the school. At a school without academic terms, disbursement may be made at the beginning and midpoint of the period of enrollment. If disbursed by check, the check will be made copayable to the school and myself, and disbursed to the school. If the school participates in an electronic funds transfer process (EFT), the funds will be electronically transmitted to the institution.

Change of Status

The DEAL program requires me to notify my lender (or any subsequent holder of my loan), if any of the following events occur:

- I change my address;
- I change my name (for example, maiden name to married name);
- I do not enroll as certified on my application;
- I withdraw from school or change my enrollment status to less than half-time;
- I transfer to another school;
- I change my employer or my employer's address changes; or
- I have any other change that would affect my loan status (for example, the loss of eligibility for an unemployment deferment by obtaining a job).

I understand I must notify the school of any address changes while I am enrolled.

Interest

Interest rate information for this DEAL loan is indicated on the Loan Approval Disclosure.

Note: Interest accrues while you are in school or on a deferment or forbearance. Although you are not required to pay the interest that accrues during these periods, it is to your advantage, and BND encourages you to make payments during this time. By making payments, or by paying some of the interest, it will reduce the total amount you have to pay throughout the life of the loan. Interest not paid will be added to your principal balance through capitalization at the time your loan(s) enter repayment.

Consumer Reporting Agency Notification

Information concerning the amount, disbursement and repayment status (current or delinquent) of my loan(s) will be reported by my lender to one or more national consumer reporting agencies on a regular basis. If I default on this loan, the default will also be reported by the guarantor to all national consumer reporting agencies. Before the guarantor reports such a default, it will give me at least 30 day's notice that default information will be disclosed to the consumer reporting agencies unless I enter into a repayment arrangement within 30 days of

the date on the notice. The guarantor will give me a chance to ask for a review of the debt(s) before the default is reported. My lender or guarantor, as applicable, must provide a timely response to a request from any credit organization regarding objections I might raise with that organization about the accuracy and completeness of information reported by the lender or guarantor.

Repayment

I am obligated to repay the full amount of the loan, accrued interest and fees if applicable. My loan will enter repayment six months after I graduate, cease to be enrolled or decrease my enrollment to less than half-time. The minimum monthly payment is typically \$50.

I understand that I will be given a choice of repayment options. I also understand that I must make payments on my loans even if I do not receive a bill or repayment notice.

To release a cosigner from a loan, each of the following requirements must be met:

- I must be found creditworthy based on the credit criteria in effect at the time the request is made.
- The appropriate number of consecutive, regular on-time payments must have been made to BND.
 - For DEAL Student Loans, 24 regular on-time payments are required.
- A regular on-time payment is a payment received within 15 days of the due date while in repayment status. This does not include payments made during forbearance, deferment or income sensitive repayment periods.
- The payment counter restarts if there is a period of reduced payments, income sensitive, deferment or forbearance or a payment is received more than 15 days past the due date.
- I must submit the DEAL Request for Release of Cosigner form.

Deferments

Under certain circumstances, I have a right to postpone repayment of the principal if I provide the holder of my loan(s), or its servicing agent, with a request for a deferment together with the evidence that verifies my eligibility. The types of deferments that may be available are:

- While I am enrolled at least half-time at an eligible institution;
- While I am pursuing a graduate fellowship program or rehabilitation-training program for individuals with disabilities, if the program has been approved by the Department of Education for the FFELP program;
- For up to three years, while I am conscientiously seeking but unable to find full time employment; or
- While I am experiencing an economic hardship as determined by federal law; or
- While serving on Active Duty during a war or other military operation.

I should contact BND or the current holder of my loan for more details on my options.

Forbearance

If I am unable to make my scheduled payments, the lender or holder of my promissory note may allow me to reduce the amount of my payment or to temporarily stop making payments as long as I intend to repay my loan. This action is called forbearance. During a period of forbearance, interest charges continue to accrue.

My holder is not required to grant a forbearance and may require me to provide my reasons for the request and other information.

Deferring Interest Payments

Under certain circumstances, for example during forbearance or deferment, I may not be required to make interest payments, but interest on my DEAL loan will accrue. If this interest is not paid, outstanding interest will be capitalized (added to the principal) when regular monthly payments resume.

Loan Cancellation

I understand that my loan debt will be cancelled if I die. A certified death certificate must be submitted as documentation to the holder of this Note. My loan debt may also be cancelled if I become permanently and totally disabled. However, the holder of my loan may not approve the request for cancellation based on permanent and total disability if the condition existed before I applied for this loan.

If the condition did exist, my doctor must certify that the condition substantially deteriorated after the loan was approved. An application for cancellation must be submitted to my holder, and documentation verifying the permanent and total disability must be certified by my doctor and accepted by the holder of this loan.

I understand my loan(s) will not automatically be discharged in bankruptcy.

I understand that neither the holder, nor the guarantor vouch for the quality or the suitability of the academic programs offered by participating schools. Repayment of this loan is not contingent upon the performance of my school of attendance, or my obtaining employment in my field of study.

Consequences of Default

Default is defined in the Note. If I default, the entire unpaid balance and collection fees will become immediately due and payable. Failure to repay this DEAL loan may result in any or all of the following: loss of state income tax refunds, loss of state lottery prizes, legal action, assessment of collection charges, loss of professional license, loss of eligibility for deferments and forbearances, and negative credit reports.

Consolidation

Consolidation permits multiple alternative education loans to be combined into one new loan. You may be able to consolidate other alternative education loans along with your DEAL loan(s). Contact BND for additional information.

Sale or Transfer

I consent to the sale or transfer of my loan. Should ownership of a loan be transferred, I understand I will be notified of the name, address and telephone number of the new holder of my loan, if the address where I make my payments changes. Sale or transfer of my loan to subsequent holders does not affect my rights and responsibilities.
