

North Dakotans, get smart with your money.

The state of North Dakota is pleased to share **SmartWithMyMoney.nd.gov**, a free website to help North Dakotans learn financial basics. You can create an account, take a money personality quiz, and have access to all the learning articles and modules.

The site is research-based and covers the lifespan of anyone's financial literacy needs. From learning about budgeting, credit card debt, student loans, mortgages through retirement and estate planning, you will appreciate the easy-to-understand materials.

Start Today!

SmartWithMyMoney.nd.gov

From January 2020 - December 2021 Smart with My Money users reported:

- 32% decrease in financial stress
- 59% increase in users who were able to build up a 3-month emergency fund
- 28% increase in users who paid off their credit card in full each month
